KEY NOTES

1. The team registration sheets are required to be submitted **14 days in advance** of the League, Tournament and Matchplay dates. This is via the online form, using the team template which are on the website. The online form will not submit if the form is incomplete.
2. Reminder: At the beginning of the season, League teams will be required to submit their Squad Lists in the respective entry forms. This form is ONLY required to be re-submitted in the event of any changes / additions to that squad list.
3. Please email entry forms only to operations@swissnetball.ch **and** admin@swissnetball.ch. All team registration sheets must be submitted via the online form.
4. Where required, please ensure that any scorer and timekeeper you provide are familiar with their responsibilities (i.e. injury protocols) and how to complete a Swiss Netball scoresheet.
5. Events without a venue listed will be confirmed and updated on the website as soon as possible. We are working hard to try and secure outstanding venues and if any Clubs are able to help source venues, please email: operations@swissnetball.ch and admin@swissnetball.ch.
