4. STRUCTURE OF THE TOURNAMENT

4.1. The Tournament will be contested between as many teams as shall be determined by Swiss Netball. The Swiss Netball Committee reserves the right to restrict the number of entries in future years should it be deemed that the number of entries exceeds capacity.

4.2. The Tournament will take place over one (1) day with matches consisting of **fifteen (15) minute halves with five (5) minute interval at half-time.**

4.3. The Tournament shall consist of placement matches, with the ranking of teams established on a point score basis, followed by two semi-finals, one playoff match and one final match.

4.4. Where there are five (5) or fewer teams playing in the Tournament, placement matches will be played between all teams, i.e., each team will play each of the other teams.

4.5. Where there are six (6) or more teams playing in the Tournament, a draw will take place in advance of the tournament to order the teams into a list. Each team will play placement matches against the two (2) teams listed above and the two (2) teams listed below it, i.e., a total of four (4) placement matches.

4.6. Teams will be awarded points for placement matches as follows:

- 5 points for a win
- 3 points for a draw
- 1 point for more than 50 per cent of the winners' score
- 0 points for a loss

4.7. The Tournament tables will be compiled on the basis of the points awarded to each team. Where two (2) teams are level on points:

4.7.1. Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the competition stage shall take precedence.

4.7.2. In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.

4.7.3. In the event that goal difference does not differentiate between the teams, then the result of the previous round match(es) between the two teams will be the decider.

- 4.7.4.** In the event that the previous round match result does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence.
- 4.7.5.** In the event that neither goal average nor goal difference nor the previous round match result nor goals scored can differentiate between the teams, the positioning on the competition tables will be decided using the extra time process between the teams concerned as outlined below (Regulation 4.7) for Semi-Finals and Finals. In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams, the winner will be decided with extra time process between the teams as outlined below for Placement Matches/Finals.
- 4.7.6.** Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. For example, in the event that one team received 5 points for a conceded fixture, then the goals scored by and against both teams level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated.
- 4.8.** Placement Matches: In the event of a tie the draw will stand.
- 4.9.** Semi-finals will be played 1 v 4, 2 v 3 with winners progressing to the final. Finals will be played by the two teams ranked first and second in the competition tables following placement matches. A playoff match will be played for third place between the two teams ranked third and fourth in the competition tables following placement matches.
- 4.10.** Semi-finals and Finals procedure for extra time where a winner is required:
- 4.10.1.** There shall be a two (2) minute interval at the end of full time. During this interval, substitutions and / or team changes may be made swiftly.
- 4.10.2.** Extra time shall consist of two (2) halves of four (4) minutes each, changing over at half time without a break. Teams shall change ends at half-time. Substitutions will not be allowed at this point. The Centre Pass is taken by the team entitled to the next Centre Pass.
- 4.10.3.** During extra time, normal injury or illness procedures shall apply (refer to Regulation 6.3).
- 4.10.4.** In the event of a tie remaining at the end of extra time, a visual signal shall be used to indicate that play shall continue until one team has a two (2) goal advantage.

5. FIXTURE ARRANGEMENTS

- 5.1.** Matches will be played wherever possible on a court with adequate surrounds and surface and with ancillary facilities for participants, including changing and showering facilities for teams and officials, unless otherwise agreed by Swiss Netball (If this is not possible all officials and teams will be made aware before arrival).
- 5.2.** Swiss Netball is responsible for arranging the venue.
- 5.2.1.** It is the responsibility of Swiss Netball to conduct a risk assessment for the Tournament in advance.
- 5.3.** Swiss Netball must provide the Order of Play for teams and the umpires with confirmation in writing of the date, its start time, and travel directions (including post code) a minimum of ten (10) days prior to the date of the event.

- 5.5.6.** The Umpires must record on the Score Card, the name and arrival time of the team who arrived late.
- 5.5.7.** In the event that a match is abandoned for any reason, e.g., due to serious injury, the result of that match will be determined by the Competition Referee with consideration for the score at the time play was suspended.

6. MATCH REGULATIONS

- 6.1.** All matches shall be played to the [World Netball Rules of the Game](#) currently in force except where specific Tournament regulations may apply.

6.3. Match Incidents and Substitutions

- 6.3.1.** In extreme circumstances and in consultation with the Competition Referee, the umpire may decide to abandon a match, for example, following a serious injury or if the safety of players and / or officials is considered to be at risk. In this instance, the scores for a match abandoned in the first half will be averaged across all other matches. The scores for a match abandoned in the second half will be marked as per the scores at half time. Swiss Netball accepts most netball injuries i.e., knee, ankle, etc., fall outside this exemption regulation.
- 6.3.2.** For injury / illness / blood, the umpire will follow standard protocol. The concerned player must be substituted immediately.
- 6.3.3.** During half time, substitutions and team changes may be made by both teams providing they take place promptly.
- 6.3.4.** For Tactical Changes, the umpire will follow standard protocol. Tactical Changes will only be allowed for teams with an extra set of bibs to allow for very swift changes. Umpires may refuse a request for tactical changes when they are not executed efficiently.

- 6.5.** Players are reminded that they may not wear anything that could endanger themselves or other players. Before the start of each match, captains must ensure that all of their players have removed all jewellery, including friendship bands on wrists and ankles, and all earrings and studs on any part of the body (entire ear, nose, etc.). 7. OFFICIALS AND REGISTRATION OF RESULTS

It is the joint responsibility of the match and technical officials to carry out their duties and facilitate the match responsibly, without disruption or any interference.

- 7.1.1.** Technical officials will be seated at the Official Bench.

7.1.6. During an interval, the captain and/or any other player may approach the umpires at the Umpires Bench to seek clarification on a specific rule.

7.2. Match Officials

7.2.1. The Match Officials are the umpires.

7.2.2. Swiss Netball will assign umpires to all matches and will ensure that umpires of the highest available standard are assigned to the Semi-finals, Playoff and Final match unless an umpire has a perceived conflict of interest, in which case, the next next-best qualified umpire should be used. A conflict of interest may be disregarded when assigning umpires if a substitute umpire of the appropriate standard is not available. A conflict of interest shall for this purpose, be the following:

7.2.2.1. a family member (child, sibling, or parent) of the umpire is a member of the team competing in the relevant match; or

7.3.6. The score sheets must be checked at the interval, as well as after the match, and then signed by both score keepers and both umpires. The score sheet as signed off and agreed by the match and technical officials is final.

7.3.7. In the event of any discrepancy where the score keepers and umpires cannot agree on the score during an interval or after a match, the interval will be extended and the Competition Referee will be consulted, until the discrepancy is resolved. Should the aforementioned happen during an interval, the umpires will inform the Coach of each team what the official score is. The match will resume thereafter.

7.3.8. The official score is the score jointly recorded by the score keepers on the score sheet, and not a score reflected anywhere else, e.g. electronic boards, manual score boards, etc.
